Dear Parents

I hope your child is settling in well to their class and the new academic year. Our term is really clicking into gear, with a theatre production next week to look forward to, as well as some trips and other events starting to be planned for the children.

Our theme for Collective Worship this half term is the famous Bible passage about love from 1 Corinthians 13, which you may be familiar with from marriage ceremonies! 'Love is patient, love is kind,…' This week we looked at the story of Joseph and explored how he demonstrated great kindness even to his brothers who treated him so badly. It's great to see many examples in the school day of this kindness—I'm always particularly proud of the older children when they take time to play with and nurture our youngest ones.

A plug this week for our **Governing Board.** We are looking for people to join the Otter Valley Federation Governing Board. Please do read on to find out how you can be part of this. We welcome applications from parents, grandparents, or members of the local community. Please do consider this as we would value more Tipton representation!

Please note the **PTFA AGM date below** — do get involved—a great way to support the school and connect with our school community. Also reminder about our breakfast and after school club—see final page.

Fund Saver Work Day : We have decided not to run a full day this year, as there are a few specific jobs we need to do but not a long enough list for lots of people to participate at the same time. So if you are able to offer a few hours at some point, please do get in touch. All offers of help/skill/resources gratefully received—more details to follow!

European Day of Languages is coming up soon—next Friday! — you should have heard more details from your class teacher about this. **Harvest Festival** is Thursday 8th October and we will be collecting for St Petrock's again. All welcome.

Have a lovely weekend! **Pete Button, Head of School**

Houses and House Points

We have a House System at Tipton. There are four houses: Lions (Yellow), Tigers (Red), Leopards (Green) and Panthers (Blue). House points are earnt for good work, effort, good behaviour and demonstrating our values in school. There are Y6 House captains for each house who will be counting up the house points earnt each week by children in each class. These will give us a winning house who will be presented with the trophy on a Friday afternoon. We will be giving rewards for the most house points over the weeks and half terms—extra playtime and treats. The children have been working hard to earn housepoints this week and have enjoyed the challenge!

Winners this week were …. Lions

Your PTFA needs YOU!

Dear parents,

The PTFA are looking for additional committee members to help oversee fundraising for the coming year. It's a wonderful way to meet other families, ensure the kids have a great year, and support the school. If you're interested in being involved, please reach out to us on email, or via the school office – or grab one of us at the school gates!

We're also hosting our annual general meeting on **Tuesday 29 September**. We'll be meeting at **6pm at The Golden Lion**. All welcome! It would be great to see as many families there as possible to help us look ahead to what will hopefully be another great year of supporting the school.

Thanks,
Rachel and the PTFA

European Day of Languages –Friday 25th September

This is always a fun day celebrating different languages and cultures around Europe. The children will be learning some words in the language(s) of that country, a bit of its history and geography, as well as the opportunity to dress up, try some food, sing a song, or do some craft related! Note the countries as follows: **Hazel— France** **Maple— Italy**

Willow— Switzerland **Oak— Turkey**

Piano Lessons in September!

My name is Helen Alford and I I have been a piano teacher for over 20 years. I have been teaching in Tipton primary school for the past two years, and as my older students are moving on to secondary school, I now have space to accommodate new students in year 3 or above to either begin to learn playing the piano or continue their piano studies. Lessons would occur during the school day, the time and day to be confirmed. Each lesson will last 20 minutes and will cost £11. If your child is interested in starting piano lessons with me, please contact me at helen.alford1@gmail.com.

PARENT GOVERNOR ELECTION

There are two vacancies for a parent governor on our federation's governing board and I am writing to invite nominations to fill this vacancy. Please think about becoming a governor or encouraging others to volunteer. Parent governors can be from either school in the federation.

Parent governors are welcomed as valued members of the governor team and play an important role; the governing body works together as a group, meeting at least once every half term as a Full Governing Board, and once a term for training and development. Together they are responsible for the strategic direction of the federation, promoting high standards of educational achievement and ensuring our resources are used to maximum impact. Life as a governor is interesting and varied and we feel sure that there are parents prepared to take on this important role and give their time and commitment to helping us to continue to improve the school's performance.

Training and support will be available to help you develop into the role. This will include in-house mentoring and support as well as access to external governor training, those new to being a governor are expected to attend governor induction training provided by both Governors Services and the Diocesan Board of Education. The term of office for parent governors is four years. For further information about the role please get in touch with Sarah Walls, Chair of Governors, via email chair@ottervalleyfederation.org or through the school offices, who will be happy to help.

If you would like to stand for election **please complete the online form** no later than 12 noon on **Friday 2nd October 2026** If you wish you can include a few details about yourself and why you would like to become a governor (not exceeding 100 words). This will then be circulated to all parents to help them decided who to vote for if an election is required. You do not have to complete this section, but if you don't you may put yourself at a disadvantage if there is an election. An election, by secret ballot, will be held if more nominations are received than the number of vacancies. If an election is needed details of the procedure will be sent to all parents.

Nominations must be from parents or carers with children at the federation on the day that nominations close. The enclosed sheet summarises the disqualification criteria to serve as a governor. Anyone standing for election must certify that he/she is not disqualified for any reason. Parents/carers who have paid employment in the school for 500 hours per academic year or more or who are elected members of the Local Authority are not eligible to stand in these elections.

Yours sincerely

Jessica Benger

Clerk to Governor and Returning Officer

Playground Equipment on Lower Site

You may have spotted that the playground equipment is currently out of use. Unfortunately, the flooding at the start of the year, followed by a very dry summer has taken its toll on the timber frames and they need to be repaired. We have a quote for this work and will be arranging the repairs as soon as we can. In the meantime we would appreciate your co-operation in ensuring the children do not use the equipment at the start and end of the school day. We are very grateful to the PTFA who will contribute funds to these works.

School Relocation

Many thanks to all those who attended the public consultation meeting on Thursday 23rd July in the village hall. This term outline planning permission will be submitted to EDDC to relocate our school building to Carter's Farm on the outskirts of Tipton Village and a decision should be made by the end of December. **IF** successful, we understand that planning of the site would commence in January 2027. This would take approx. 12 months and the rebuild itself would take a further 1-2 years. Governors are very hopeful that this project will be able to progress and will keep parents updated. If successful we would plan to update the children and involve them in planning their new school building from January 2027. We have some plans of the location of Carters Field (version used at village hall meeting) and parents are welcome to pop in
